

**TC ESKİŞEHİR OSMANGAZİ UNIVERSITY FACULTY OF AGRICULTURE DEPARTMENT OF HORTICULTURE**  
**2024 - 2025 SPRING SEMESTER COURSE PROGRAM**

DAY	HOOR	1ST CLASS	2ND CLASS	3RD CLASS	4th CLASS
M O N D A Y	08:00-			Animal Production (D9)	Professional Practice IV
	09:00-		Music (HAMER) (Social Selection)	Animal Production (D9)	Professional Practice IV
	10:00-	AİİT-2 (C1)	Music (HAMER) (Social Selection)	Animal Production (D9)	Professional Practice IV
	11:00-	AİİT-2 (Ç1)	Music (HAMER) (Social Selection)		Professional Practice IV
	12:00-				
	13:00-			Professional Practice II	Breeding for Resistance in Horticultural Crops (D11)
	14:00-			Professional Practice II	Breeding for Resistance in Horticultural Crops (D11)
	15:00-		Field Crops (D7)	Professional Practice II	Breeding for Resistance in Horticultural Crops (D11)
	16:00-		Field Crops (D7)	Professional Practice II	
17:00-				Graduation Thesis II (Dept. Total Sal.)	
18:00-				Graduation Thesis II (Dept. Total Sal.)	
T U E S D A Y	08:00-		Plant Protection(A2)	Design in Engineering (D8)	
	09:00-	English II/Foreign Language II (FL)	Plant Protection(A2)	Design in Engineering (D8)	
	10:00-	English II/Foreign Language II (FL)	Plant Physiology (D9)	Organic Animal Prdoction (A2)/Weeds and Their Control (D7)	Weeds (D7)
	11:00-	English II/Foreign Language II (FL)	Plant Physiology (D9)	Organic Animal Prdoction (A2)/Weeds and Their Control (D7)	Weeds (D7)
	12:00-			Organic Animal Prdoction (A2)/Weeds and Their Control (D7)	Weeds (D7)
	13:00-	Turkish Language II (CL)	Research and Experimentation Methods (D1)	Outdoor Ornamental Plants Cultivation (D9) / Vegetable Seed Cultivation and Certification (D10)	Temperate Climate Fruits II (D11)
	14:00-	Turkish Language II (CL)	Research and Experimentation Methods (D1)	Outdoor Ornamental Plants Cultivation (D9) / Vegetable Seed Cultivation and Certification (D10)	Temperate Climate Fruits II (D11)
	15:00-		Research and Experimentation Methods (D1)	Outdoor Ornamental Plants Cultivation (D9) / Vegetable Seed Cultivation and Certification (D10)	Temperate Climate Fruits II (D11)
16:00-		Research and Experimentation Methods (D1)	Outdoor Ornamental Plants Cultivation (D9) / Vegetable Seed Cultivation and Certification (D10)		
17:00-					
W E D N E S D A Y	08:00-	Plant Biochemistry (Theo) (F5)	Occupational Health and Safety II (D3)/Indoor Plants and	Horticultural Pests (D9) / Mushroom Production Technique (D10)	Indoor Plants and Decoration (A2) (Select Soc).
	09:00-	Plant Biochemistry (Practice)-(F5)	Occupational Health and Safety II (D3)/Indoor Plants and	Horticultural Pests (D9) / Mushroom Production Technique (D10)	Indoor Plants and Decoration (A2) (Select Soc).
	10:00-	Plant Biochemistry (Practice)-(F5)	Indoor Plants and Decoration (A2) (Social Option)	Horticultural Pests (D9) / Mushroom Production Technique (D10)	Indoor Plants and Decoration (A2) (Select Soc).
	11:00-		Agricultural Structures and Irrigation (D11)	Horticultural Pests (D9) / Mushroom Production Technique (D10)	
	12:00-		Agricultural Structures and Irrigation (D11)		
	13:00-	Thermodynamics (D11)		Seedling Nursery and Certification (D9) / Seasonal Flower Cultivation (D10)	Berries (D2) / Soilless Agriculture (D8)
	14:00-	Thermodynamics (D11)		Seedling Nursery and Certification (D9) / Seasonal Flower Cultivation (D10)	Berries (D2) / Soilless Agriculture (D8)
	15:00-	Thermodynamics (D11)	Foreign Language IV(CL)	Seedling Nursery and Certification (D9) / Seasonal Flower Cultivation (D10)	Citrus Trees (D2) / Rootstock Scion Relationships of Fruits (D3)
	16:00-	Measurement Information (A3)	Foreign Language IV(CL)	Seedling Nursery and Certification (D9) / Seasonal Flower Cultivation (D10)	Citrus Trees (D2) / Rootstock Scion Relationships of Fruits (D3)
17:00-	Measurement Information (A3)	Foreign Language IV(CL)	Vocational Foreign Language II (D2) / Horticultural Physiology (D3)		
18:00-			Vocational Foreign Language II (D2) / Horticultural Physiology (D3)		
T H U R S D A Y	08:00-	Computer Assist. Tech. Res. (Computer Lab)			Horticultural Physiology (D12)
	09:00-	Computer Assist. Tech. Res. (Computer Lab)		Horticultural Breeding (D11)	Horticultural Physiology (D12)
	10:00-	Computer Assist. Tech. Res. (Computer Lab)	Soil Science and Plant Nutrition (D10)	Horticultural Breeding (D11)	Horticultural Physiology (D12)
	11:00-		Soil Science and Plant Nutrition (D10)	Horticultural Breeding (D11)	Horticultural Physiology (D12)
	12:00-	History Ecology and Curative Economics (D4)		Pruning and Training in Horticulture (D9) / Fertilization Biology in Horticulture (D10)	
	13:00-	History Ecology and Curative Economics (D4)	General Vegetable Growing (D8)	Pruning and Training in Horticulture (D9) / Fertilization Biology in Horticulture (D10)	
	14:00-	Agricultural History and Deontology (D4)	General Vegetable Growing (D8)	Pruning and Training in Horticulture (D9) / Fertilization Biology in Horticulture (D10)	
	15:00-	Agricultural History and Deontology (D4)	General Vegetable Growing (D8)	Pruning and Training in Horticulture (D9) / Fertilization Biology in Horticulture (D10)	
	16:00-			Agricultural Valuation and Expertise (A3)/Horticultural Diseases (D3)*	
17:00-			Agricultural Valuation and Expertise (A3)/Horticultural Diseases (D3)*		
18:00-			Agricultural Valuation and Expertise (A3)/Horticultural Diseases (D3)*		
19:00-					
F R I D A Y	08:00-				
	09:00-		Effective Communication (A3) (Social Elective)	Agricultural Equipment Machinery (D4)	Effective Communication (A1)-Social Selection/Special Vegetable Farming II (D10)
	10:00-		Effective Communication (A3) (Social Elective)	Agricultural Equipment Machinery (D4)	Effective Communication (A1)-Social Selection/Special Vegetable Farming II (D10)
	11:00-		Effective Communication (A3) (Social Elective)	Agricultural Equipment Machinery (D4)	Effective Communication (A1)-Social Selection/Special Vegetable Farming II (D10)
	12:00-				
	13:00-				
	14:00-		Agricultural Machinery (D8)		Greenhouse Vegetable Farming (D11)
15:00-	Social Elective (Rectorate)	Agricultural Machinery (D8)		Greenhouse Vegetable Farming (D11)	
16:00-	Social Elective (Rectorate)			Greenhouse Vegetable Farming (D11)	
17:00-				Greenhouse Vegetable Farming (D11)	

C:Online

Computer Lab.:Computer Lab.

TRS:Technical Drawing Hall
